

'Fun *Autograph* T-Shirts'

A Keepsake for you and your students!

This is a *quick*, **easy** and FUN activity!

All you need is:

1. T-shirt

(students can bring an old t-shirt from home)

2. Felt Markers

(you can get these at Wal-Mart or you can even use permanent markers)

You can do this as a class activity, allowing students to walk around and ask their peers to sign their shirts or you can even simply have the students pass their t-shirts desk to desk so to make sure all students have had a chance to sign each other's shirts! They can simply write their names in a fun or fancy font, write a comment, draw a picture, etc.

Play some music for the students during the activity and just watch how much fun they will have ☺

Don't forget to sign each of your students' shirts and to get each of them to sign one for you! If you do this every year, you will have a fun collection of autographs from all your students – what a great keepsake. Hang them in your class and watch how your collection grows!
